

If you've ever yearned to sing on stage during the holidays
yet have never found the right opportunity ...

Well, here's your chorus.

*Feel Like Singing? *This is your invitation to join us on stage!*

Harmony 4 Women is a new holiday chorus that offers an open registration to Central Oregon women and teens. Connie Norman, award-winning Music Director of the Central Oregon Showcase, directs the chorus that will present two inspiring performances at Summit High School on November 21st.

Harmony 4 Women evolved from four nonprofit women's organizations working together to benefit 4 women's groups by inviting guest singers to sing 4-part harmony in a holiday chorus. Event organizers and non-profit beneficiaries are Grandma's House, Saving Grace, Women's Resource Center of Central Oregon (WRCCO) and Central Oregon Showcase Chorus.

Come shine and have fun with us and build a long-lasting memory for yourself, your mother, your daughter and your buddies by enrolling in Harmony 4 Women now. Once enrolled you will receive detailed information about the rehearsals and the music. Weekly rehearsals begin Monday, September 28th at the Redmond Senior Center, and continue every Monday evening until November 16th. You CAN do this. You CAN learn 4-part harmony, and you CAN sing. You'll be part of something that will **"spread more joy than you ever imagined."**

Name of Singer	Address	Phone	Email

Completed form and payment must be received no later than **September 21, 2009.**
